

Three Public Meetings Scheduled on Chemical Weapons Destruction

A Partnership for Safe Chemical Weapons Destruction

Dec. 5, 2006

No. 06-02

FOR IMMEDIATE RELEASE

BLUE GRASS ARMY DEPOT, Ky. – Three public meetings on chemical weapons destruction are scheduled for Tuesday, Dec. 12.

Chemical Destruction Community Advisory Board

The Chemical Destruction Community Advisory Board will meet at 1:30 p.m. in Rooms A and B on the lobby level at Eastern Kentucky University's Carl D. Perkins Building located on Kit Carson Drive. The event is accessible to people with disabilities.

The advisory board, which is co-chaired by Madison County Judge-Executive Kent Clark and Craig Williams, executive director of the Chemical Weapons Working Group, will discuss topics related to the Blue Grass Chemical Agent-Destruction Pilot Plant (BGCAPP). There will be opportunities for public comment throughout the meeting.

As diverse representatives of the local community, board members provide advice and citizen input on issues regarding the chemical weapons destruction project at the Blue Grass Army Depot. The board, which meets quarterly, last met in September.

Kentucky Chemical Demilitarization Citizens' Advisory Commission

The governor-appointed Kentucky Chemical Demilitarization Citizens' Advisory Commission will meet at the conclusion of the CDCAB meeting.

Permit Application Revisions

The Blue Grass Army Depot and Bechtel Parsons Blue Grass will host a public meeting to discuss the revised Research, Development and Demonstration permit application. The depot and Bechtel Parsons revised the application for the BGCAPP project to incorporate cost-saving design changes. The meeting will be held from 7 to 9 p.m., in Rooms C and D in the Carl D. Perkins Building.

For additional information on any of the meetings, please contact the Blue Grass Chemical Stockpile Outreach Office at 859-626-8944 or bgoutreach@bah.com.
